In order to make your uniform shopping easier, our school has established an account with a uniform company, Schoolbelles. Through Schoolbelles, our families have the opportunity to do 'one stop shopping.' The Foster Avenue store in North Chicago will have a dedicated section specifically for Guardian Angel where all of our uniform pieces can be found, (excluding shoes and spirit wear.) You may choose, as well, to shop online at www.schoolbelles.com. If you choose to order online, you will need to put in our school code, which is S2912. You can also place a phone order by calling (888) 637-3037. **With the exception of the Grades 6-8, monogram polos and vests (found at Schoolbelles only) families may shop wherever they feel it is most affordable.**
